Contract Sum

RM867,680.00

Contract Period

01 February 2016 – 01 June 2016 (4 months)

The construction of Jetty Work at Putrajaya is the contribution from Zenith Aim Group to Putrajaya Lake. This jetty is the additional drop off and pick up point for the existing cruise services at Putrajaya Lake.

The project involves design and built of the following facilities:-

- a) Pontoon (23.0 meter x 3.8 meter)
- b) Gangway landing (3.0 meter x 1.2 meter)
- c) Aluminum Gangway with integrated handrail and rub rail (20.0 meter x 1.8 meter)
