Client

Rastamas Contactor Sdn Bhd

Contract Sum

RM29,227,058

Contract Period

May 2003 ~ Oct 2004

Owner

Perbadanan Labuan (Labuan Corporation)

Owner's Consultants

Unified Consult Sdn Bhd (C&S, Lead Consultant)

ATSA Architect (Architect)

Design Cost Consultants (Quantity Surveyor)

Budiman Ismail C.E. (M&E)

Labuan Corporation, a merger of two government agencies (Labuan Development Authority and Labuan Municipal Council) awarded the project to Rastamas as main contractor.

SYS was engaged by Rastamas to construct the entire scope of works, comprising :

- Ferry terminal building, control tower and TNB substation,
- Passenger Jetty, including 2 units floating concrete pontoons,
- Complete M&E works, including supply of x-ray scanners for passengers
- External works and landscaping

The Ferry Terminal was delivered on time and continues to be the focal point of Labuan town with visitor arrivals from Brunei and Sabah.
